Dear Mrs. Gordon,

Enclosed are the documents responsive to your Open Records Request. As discussed, certain documents you requested were voluminous in nature and cost and might not have been necessary for your project. It was agreed that a summary report could be provided for your review in the hopes that it would meet your needs or assist you in potentially narrowing the scope of any future request. If I can be of further assistance, please contact me at (817) 459-6878.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Pamela D. Hutson', with a long horizontal flourish extending to the right.
