Dear Ms. Hudman:

In response to your letter to Chief Ken Burton, received on November 28, 2005, research has begun. The "Use of Force" reports date back to 2002 and we will be able to pull the incident reports related to these forms. Please let me know if this information starting in 2002 instead of 2000 will be sufficient to fill your needs.

We will waive fees for this data collection for anything that exceeds the \$25.00 maximum you are willing to pay. If you wish for me to proceed starting with 2002 to present, please give me a call at 817/222-7082 at your earliest convenience.

Sincerely yours,

Ken Burton
Police Chief
